

SARA P. ROSE BREAST CANCER SURVIVOR HOSPITALITY AREA

Sue & Phil Overton host this area , plan all the decorations and food and share their experience with breast cancer. Additional D'Feet volunteers like Elaine & Ronn Mason are on hand to help. All survivors visiting this area have a chance to network with other survivors, enjoy tasty refreshments, sit and watch the opening events or just people watch.

Chair massages are offered by Pamela Blacklock and Diana Heitzmann, both trained to work especially with breast cancer survivors. D'Feet offers every survivor a special gift to take home. And, thanks to Crowder Deats Florist, each survivor will receive a pink rose.

As a survivor, if you share your e-mail address with D'Feet, you get a chance to enter the drawing for the spa basket donated by Moody Gardens Spa.
